

DESCRIPTION

One of our set of cracking varietal wine from prime single vineyard plots in the Riverland/South Australia region, vinified entirely separately which is unusual in wines at this price level. Classic packaging, classic style, and a more classic styling to the wine too, with a focus on roundness and balanced shape rather than zip and raciness. Great wine at a great value for money price.

TASTING NOTES

Mouth-wateringly fruity yet elegant, this zesty Pinot Grigio brims with delicious orchard fruit and zingy citrus characters. A highly approachable, enjoyable style that partners all manner of tasty fish, poultry and vegetable dishes superbly well. It is also a great all-rounder served on its own. Best enjoyed lightly chilled.
