

DESCRIPTION

One of our set of cracking varietal wine from prime single vineyard plots in the Riverland/South Australia region, vinified entirely separately which is unusual in wines at this price level. The Shiraz is jammy and forthright, with a little Cabernet in the blend to add softness and spice. Classic packaging, classic style, and a more classic styling to the wine too, with a focus on roundness and balanced shape rather than zip and raciness. Great wine at a great value for money price.

TASTING NOTES

Jammy, juicy and complex, this is the quintessential Australian Shiraz, crammed with heady blackcurrant fruit, soft vanilla hints and touches of spice. A versatile, approachable and satisfying red that pairs with robust stews, grills and pasta with style and authority.

Best served at room temperature.
